2019 NSW Australian Institute of Physics in the Pub - Nomination Form

Nominations are now open for Physics enthusiasts to express interest in presenting an eight-minute entertaining presentation of various forms, (e.g. comedy, music, demonstrations) on some aspect of physics at the 2019 NSW Australian Institute of Physics in the Pub.

This event will be part of the Sydney Science Festival, and in past years has attracted audiences of around 150.

Nominations to present at the Physics in the Pub Variety Night will *strictly close* on Friday 31st May 2019.

The 2019 event will be held at the Harold Park Hotel, Cnr Wigram and Ross Street, Glebe, on Wednesday 7th August from 7:00pm. www.haroldparkhotel.com.au

Event details

- Acts are limited to strictly eight minutes.
- Available resources at the venue: powerpoint, screen, mac, microphone, PA sound system, dimmable lights.
- Participants need to inform us of their requirements for AV, sound, tables, power, etc before the night.
- Presentations are displayed from laptop provided only, to prevent AV hiccups. We'll assist with downloading material and testing in advance
- There are limited slots available on the night: we will do our best to include as many participants as possible, selection will be based on showcasing a range of performances and experience.
- There will be limited help available for setup and packup, for heavy or complicated equipment so please BYO roadies.
- Participants must ensure that the stage is clean and tidy for the next participant.

To nominate as a presenter in this event, a statement of up to **200 words outlining the description** will be required below for submission on this form by the due date to fit the following criteria:

- **Title:** Is the title adequate and interesting for a Physics Variety Night presentation?
- **Structure:** Is the structure of the description well organized and good enough to fit the eight-minute Physics Variety Night presentation format?
- **Relevance:** Is the presentation relevant and interesting to a field of physics?
- **The AIPNSW events committee will agree on the final list of approved nominee acts for 2019. All nominees will be informed by email after the closing date**
