

Australian Physics Magazine

Subscription Rates

The Australian Institute of Physics (ABN 81 004 566 509) is a nation-wide platform for communication and visibility to the wider physics community, including researchers, educators and teachers, students, and all people interested in physics.

As an institution or library, you can purchase an organisation-level subscription with the AIP. In this case, you will receive one hard copy of each issue of the Australian Physics magazine for your organisation along with a PDF copy for your internal purposes (Additional copies can be discussed).

AGENCY
