2023 AIP Research Poster Presentation Network Event

The NSW Branch of the Australian Institute of Physics held its inaugural Research Poster Presentation Network Event at the Western Sydney University Parramatta South Campus on Monday 3 April.

The aim of this new NSW Australian Institute of Physics Research Poster Presentation Network Event was to provide all NSW HDR students (Honours, Masters and PhD) researchers an opportunity:

- To present a formal, research-based presentation of their HDR work.
- To present HDR students research to a learned audience in the friendly environment of a University setting.
- To promote research opportunities and achievements.
- To develop physics interaction with researchers, academics, supervisors, students, employers and visitors during the event.
- To award best research poster presentation prizes recognizing the scientific merit exhibited in the Poster Presentation displays.
 - **\$500 Honours Research Poster Prize sponsored by Diraq**
<https://diraq.com/>
 - **\$1000 Masters Research Poster Prize sponsored by Boson Engineering** <https://bosoneng.com.au/>
 - **\$1000 PhD Research Poster Prize sponsored by ArcherX**
<https://archerx.com.au/>

The Research Poster Presentations for 2023 were:

- **Devika Shobhana**, Western Sydney University
- **Naif Alsalem**, University of Sydney
- **Velibor Velvoic**, Western Sydney University
- **Sanja Lazarevic**, Western Sydney University
- **Peter Macgregor**, Western Sydney University
- **Kieran Luken**, Western Sydney University
- **Rami Alsaberi**, Western Sydney University,
- **Adeel Ahmad**, Western Sydney University
- **Surjit Wadhwa**, Western Sydney University
- **Musawer Bajwa**, Western Sydney University
- **Joel Balzan**, Western Sydney University
- **Elizabeth Arcadi**, Macquarie University
- **Ellen Lu**, University of Newcastle
- **Madeline Hennessey**, University of Technology
- **Yue (Rocky) Su**, University of New South Wales
- **Long Qiang**, University of Sydney
- **Thuy Ha**, Macquarie University
- **Kimbal Lu**, University of Sydney
- **Rong Fu**, University of Technology Sydney
- **James Cayley**, University of Wollongong

- **Sean Hood**, University of Wollongong
- **John Paul Bustillo**, University of Wollongong
- **Shuji Kojima**, University of New South Wales
- **Pradeep Murthy**, University of Sydney

2023 Research Poster Presenters with Industry Sponsors

These awards have been created to encourage excellence in research work, and all nominees who participated in the event received a **special certificate** recognising the nominee's high standing.

The winner of the Australian Institute of Physics Research Poster Presentation Prize for the **PhD category** was awarded to **Pradeep Murthy** from The University of Sydney. Pradeep received a \$1000 prize from **ArcherX** as sponsors of the PhD Research Poster Prize.

The winner of the Australian Institute of Physics Research Poster Presentation Prize for the **Masters category** was awarded to **Elizabeth Arcadi** from Macquarie University. Elizabeth received a \$1000 prize from **Boson Engineering** as sponsors of the Masters Research Poster Prize.

The winner of the Australian Institute of Physics Research Poster Presentation Prize for the **Honours category** was awarded to **Madeline Hennessey** from University of Technology Sydney. Madeline received a \$500 prize from **Diraq** as sponsors of the Honours Research Poster Prize.

Pradeep Murthy; Madeline Hennessey and Elizabeth Arcadi as the 2023 Winners of the AIPNSW Research Poster Presentations

The Australian Institute of Physics congratulates all our research students and Industry Sponsors in bringing this event together!

**Dr Frederick Osman FAIP
Secretary**
